

Current

Proposed

**Pleasant Grove Baptist Church** plans to redevelop their building at **1800 Hamlin St NE** into:

- **70 affordable senior homes**
- **A new church sanctuary** (two stories plus cellar)
- **Safer and more inviting** pedestrian conditions
- **Project-funded roadway improvements** subject to later DDOT approvals

**The plans require zoning relief:**

- a little more height in areas of the building
- modification on loading zone requirements
- exemption on minimum off-street parking

**The church, the architects, and your Advisory Neighborhood Commissioners** are available to discuss more and help submit testimony to the Zoning Commission!

Join us at our monthly **5B06/5C07 Joint SMD Meeting (all virtual)** this **Wednesday 9/27 at 7pm** and/or read more here:
