

September 2023 Dispatch from VJ Kapur, ANC 5C07

Top-of-Mind issues:

- **Speedhumps and other safety improvements** have been installed (25th and 26th Sts, Girard Pl) or are imminent (18th/Bryant, NYA/Bladensburg); I'll keep pushing for more.
- **Langdon Park summer post-mortem**; we have bollard! And a need for more, plus a lot of repair ticket inputting and tracking to do over the winter.
- **Langdon Elementary facilities**; I'm working with the Langdon PTO to advocate for necessary repairs and improvements to our neighborhood school, and possibly advocate for pushing up modernization work.

Upcoming Meetings:

- 5B06/5C07 Joint SMD meeting (all virtual) at 7pm September 27th
- ANC 5C Full-Commission meeting (all virtual) at 7pm October 18th
