

November 2023 Dispatch from VJ Kapur, ANC 5C07

Top-of-Mind issues:

- **Andy Cariño/20th St crash investigation:** DDOT is producing a work order for a raised and flexpost-narrowed crosswalk with light-up pedestrian sign connecting the two halves of Langdon Park across 20th by the rec center and Chuck Brown memorial.
- **Other traffic safety mitigations:** DDOT is beginning design work on a HAWK signal to cross Rhode Island Ave NE at Thayer St NE and will present at a TBD 5B06/5C07 meeting. Speedhumps will be installed on the 2000 blk of Hamlin and the 1700 blk of Girard.
- **Langdon Park rec center modernization:** DPR outreach underway for this \$31M project; we can advocate for stronger programming and improved accessibility, safety, and sustainability.
- **Langdon Elementary facilities recommendations:** ANC 5C passed a resolution to push DCPS for important building improvements.

Upcoming Meetings:

- **Central Ward 5 Elementary school modernization/swing space discussion** at John Burroughs ES, 6pm 11/8 (w/childcare)
